

# Keeping Girls in School Act

Each year, 12 million adolescent girls around the globe are married before their 18<sup>th</sup> birthday.

Approximately 30 million girls are denied schooling; with millions more failing to acquire basic reading,

---

With the *Keeping Girls in School Act* in action, it is projected that child deaths will be reduced by 50% and child marriage by 66%.

**But this isn't enough!**

Girls all around the world need your help and support. Please take the pledge and share with those around you using the hashtag

**#ENDSYSTEMICPOVERTY**

to ensure a safer, stronger, and more educated future for the next generation.
